[User Story 1493926](#): MFA | I'm Emailed to my previous email when email changes recently

Note this testing requires changes to be deployed for ProfileUIBFF, Account Service, and Session Service. Session Service change is behind a feature flag.

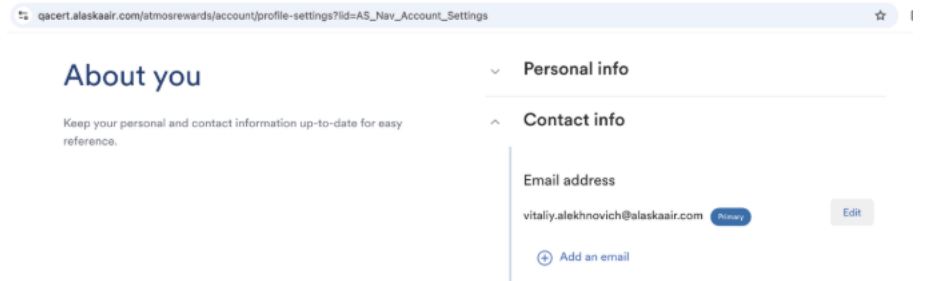

1. Login to account that can enroll in MFA

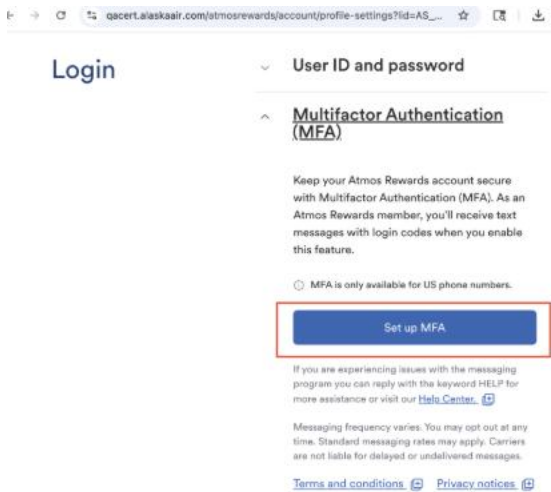

2. Take note of the current email for your account

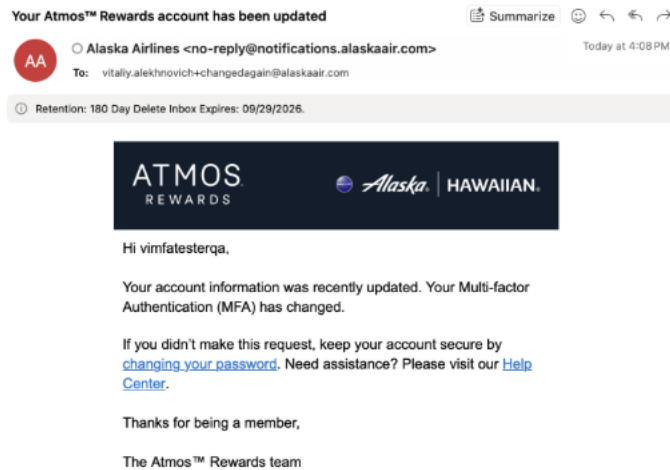

3. Change email address for account

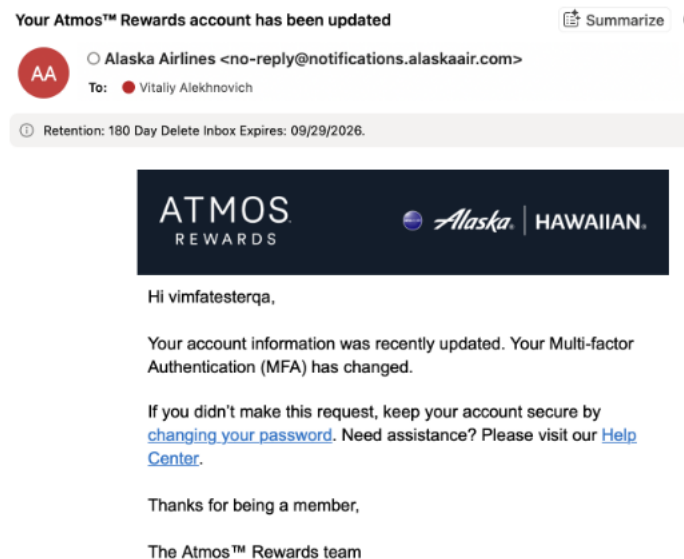

4. Within 10 minutes enroll into MFA

5. You will receive an email to your previous email noted in #2

6. After ten minutes new MFA enrollments will send to email in #3
